ILLINOIS CENTRAL REFUNDING. Syndicate to Undertake It Said to Be Four Times Over-Subscribed.

Kuhn. Leeb & Co. have undertaken to form a syndicate for the retirement and refunding of \$38,000,000 in bonds of the II linois Central road and its branch lines or acquired property at the rate of 3½ per cent interest on the new bonds. This undertaking ranks next to the refunding schemes of the Lake Shore and New York Central roads in importance in financial circles.

Central roads in importance in financial circles.

Of the bonds to be retired \$1,250,000 are on the Chicago, St. Louis & New Orieans road, at present bearing 7 per cent interest and maturing in May, 1807; \$2,000,000 of 6 per cent bonds of the Springfield Division of the Illinois Central, maturing January 1, 1898; \$20,000,000 of Chesapeake, Ohio & Southwestern bonds and other securities. The last two items represent the interest of the Illinois Central road in these two importants branches of its system. The new 3½ per cent bonds issued for the latter are mits will take the place of stocks and . 's afloat ar, held in the treasury of the liminois Central.

At the onice of Kuhn, Loeb & Co. It was stated yesteriany that the syndicate to undertake this refunding had been four times over-subscribed. The operations of the wyndicate will begin within a very short time, and the complete details for the exchange of old securities lito the new lower interest bearing bonds will be announced when completed.
